If you have additional questions please contact the Grant Department at 1-800-554-9498 or grantprogram@nrahq.org.

The following guidelines govern the award of all State Fund Committee grants made under the auspices of the Friends of NRA program. Please read this entire document prior to completing a grant application. These guidelines supersede all previous rules governing the application for, and award of, NRA State Fund Committee grants.

GENERAL PROVISIONS

The NRA Foundation, Inc. ("NRA Foundation"), established in 1990, is a 501 (c)(3) tax-exempt organization. Contributions to The NRA Foundation are tax-deductible to the extent allowed by law. Funds raised by The NRA Foundation, and particularly funds raised through Friends of NRA events, support a variety of firearms-related public interest projects and activities of organizations. Fifty percent of the net proceeds raised through Friends of NRA events in a given state are earmarked by The NRA Foundation to support qualified, eligible charitable projects at the grassroots level in that state. These funds are available to qualifying organizations or groups through NRA Foundation State Fund Committee grants.

These Grants are awarded to qualifying projects or activities that promote firearms and hunting safety; enhance the marksmanship skills of those participating in the shooting sports, educate the general public about firearms in their historic, technological and artistic context, or contribute to the general well being of the public at large. NRA Foundation State Fund Committee grants benefit a variety of constituencies including children, youth, women, individuals with physical disabilities, gun collectors, law enforcement officers, hunters and competitive teams.

STATE FUND COMMITTEES

State Fund Committees are made up of qualified individuals appointed by The NRA Foundation from individuals nominated by Friends of NRA event committees. State Fund Committee Members are appointed pursuant to, and governed by, Operational Procedures for Friends of NRA. One State Fund Committee represents the interests of each state or region that submitted grant applications to The NRA Foundation (please see Final Review/Approval Process, below).

In reviewing grant applications, State Fund Committees apply the following criteria and recommend to The NRA Foundation's Board of Trustees only projects conforming to these guidelines. All other applications will be rejected or returned to applicants.

FINAL REVIEW/APPROVAL PROCESS

Once applications have been recommended for funding by the State Fund Committee and transmitted to The NRA Foundation, a review process will be conducted.

Step 1: Applications undergo a thorough review by the grant staff and/or legal counsel.

Step 2: If warranted, an application may be forwarded for additional review or comments to an appropriate NRA Foundation Department.

Step 3: The applicant will be notified upon denial of a project. State Fund Committee revenue earmarked for such non-qualifying projects will be credited back to the appropriate state fund and made available for future grants.

Step 4: Qualifying projects are submitted to The NRA Foundation Board of Trustees for final approval. A majority vote is required to approve a grant.

Step 5: Following affirmative vote of the Board of Trustees, the Grant Manager will notify the applicant that the grant has been approved and request a check from the Foundation Treasurer's Office.

POST DISBURSEMENT REQUIREMENTS

Internal Revenue Service regulations require that The NRA Foundation continue to account for the use of grant monies by the grant recipient. All organizations or groups awarded grants by The NRA Foundation must complete and return to the Grant Manager, a Final Report detailing and accounting for how the grant funds were spent. Grant funds may only be expended in furtherance of the project documented on the grant application. Final reports should be as complete as possible and include copies of receipts for items purchased with grant funds. Any unused funds must be returned to The NRA Foundation and may not be retained for further use.

Failure to submit the Final Report on a timely basis or expending grant funds for purposes other than those for which they were sought will preclude the award of further grants to the grant recipient. In addition, The NRA Foundation reserves the right to and will demand return of grant funds that were not spent for the purposes for which the grant was awarded. Such demand may include the initiation of legal proceedings, where appropriate, to recover misused funds. Unused grant funds should be returned to The NRA Foundation so that they may be made available to other applicants.
